**XA OIL CONCENTRATE** is a blend of light agricultural spray oil and a surfactant that is especially suited for use with Atrazine corn herbicide. When used, **XA OIL CONCENTRATE** may improve activity on quackgrass, nutgrass and annual grasses such as green and yellow foxtail, and barnyard grass.

**Product Benefits:**

- Mineral oil 83%; surfactant blend 17%
- For use on silage, field and sweet corn crops registered on the Atrazine label
